TN Rep. Rick Womick to Pause Common Core???
Someone needs to call Rep. Womick and ask him how he proposes to to pause standards that are now fully implemented. Maybe this would have worked 1-2 years ago. Pause the testing? Again, Rep. Womick what is the point. This is another appeasement bill folks. Remember Rep. Womick took on the Smart Meter bill

**"STUDENTS FIRST" GETS THE BUNKUM
AWARD**

In last weeks Newsletter I included a copy of SF Report Card. My comment was to the affect of "who the heck does SF think they are evaluating our education system?" Well apparently, but not surprising, it appears as if their "research" is geared toward making their agenda efforts the main drivers of the grades. So if you are

**HITLER SURVIVOR WARNS
US - A MUST WATCH**
If you think America is not well on its way to being a Socialist/Communist country you have not been paying attention. Everything this womans talks about has or is happening in America today. Regionalism (Comprehensive growth plans), the destruction of elected representation (Charter Schools,

last session then proceeded to cave to the special interest utility gang and threw us under the bus.

ANOTHER CRAZY MATH WORKSHEET

Please take notice to the top of this worksheet. It clearly says COMMON CORE CURRICULUM. Have we not been told time and time again that Common Core is JUST standards and NOT Curriculum. Are figuring it out yet? Our legislators do not know how to tell the truth. We need to find this exact worksheet being used in TN schools. If we can find it we can prove 1. we are implementing national curriculum 2. common core is more than "just standards"

A RARE OPPORTUNITY- A MUST WATCH

Charlotte Iserbyt rarely travels and rarely speaks these days but she recently

playing ball you get a good grade. We need a Governor that is going to kick these special interest groups to the curb. Here is the report from NEPC and the Report Card from SF incase you didn't see it last week.

PARCC TRIAL TESTING LOCATIONS

Attached please find the list of schools that will participate in the PARCC Field Testing Trials. Not every child in every school will be included in the trial testing. Students selected will participate in either Math or ELA tests. The tests will take between 1-3 hours. We are recommending that you OPT OUT of the PARCC testing if your school is on the list. I have attached the list of schools and a sample letter you can use. The key is to ensure your Principal received the letter, acknowledges receipt and positively acknowledges receipt and approval. These tests are NOT mandatory and you have the right to OPT OUT. You

appointed state and county school board officials).

PLEASE watch and PLEASE get engaged. Get others engaged. If we don't know history, history WILL (IS) repeat itself. Even worse if we don't learn from the mistakes of the past we are bound to repeat them.

PEARSON HAS GOT TO GO!!!

We will never end the evil in education until we kick Pearson out of the country. Creating a new text book committee (SB1602 Sen. Bell) is NOT the answer to our text book issues and many other issues that plague education. It is PEARSON and companies like PEARSON (ie: Bill and Melinda Gates Foundation, Eil & Edyth Broad Foundation, Walton Family Foundation) that are the problems. Tell your state Rep. and Senator we do not want another committee that will do about as much as the previous committee (nothing) we want PEARSON OUT OF TENNESSEE!!!

In this article is a link to a list of Pearson holdings. I

attended a 3 day education seminar in NY. [SEND TO YOUR REP. & SENATOR YOU TUBE](#)

TN BUSINESSES FUNDING RADIO ADS IN SUPPORT OF COMMON CORE

As you know TNACC is trying to raise money to put our ad on the radio but so far the response has been dismal. They beat us to the punch.

A MUST MUST READ AND SHARE

Send this article to your state Rep and Senator. It is time they woke up to the truth. It is time you woke up to the truth. Be sure to watch the vidoe on the left column from Charlotte Iserbiyt. She discusses this document. I have sent this out before but I am sure many never read it.

THE DELIBERATE DUMBING DOWN OF AMERICA

The original 700 page book is available as a free download. <http://deliberatedumbingdown.com/> You can buy the updated abridged version on Amazon. We need to pay attention to the history of education that brought us to this point. Charlotte Iserbyt also just put out an 8 disk DVD called: EXPOSING THE GLOBAL ROAD TO RUIN THROUGH EDUCATION (Kelleigh Nelson and I from TN were part of Conference 2) which can be purchased for \$39.95 on Amazon or from the DUMBING DOWN website link above. I highly recommend that people start learning education history. When you understand the agenda Common Core is even more frightening than one would imagine. This is truly the end game for education if we don't stop it. Here is a caption from Page 216 of DDD. Charlotte Iserbyt was the Chief Education Policy Advisor to Ronald Reagan.

The quote is taken from page 216 in my book, 3D.

Sticht WHO WORKED WITH SPADY ON MASTERY LEARNING IN D.C. The Washington Post in 1987 quoted Sticht as follows:

"Many companies have moved operations to places with cheap, relatively poorly educated labor. What may be crucial, they say, is the dependability of a labor force and how well it can be managed and trained, not its general educational level, although a small cadre of highly educated creative people is essential to innovation and growth. Ending discrimination and changing values are probably more

important than reading in moving low income families into the middle class."

You might want to do some research on the **Governors Schools that Gov. Bill Clinton set up in Arkansas. Very interesting but very revealing (especially the interviews with some of the students that attended). In my opinion next to FDR Clinton did more to destroy this country than any other President. He set the table for Obama. I have a document that is just over 100 pages if interested send me an email and I will send to you. It is the Chronology of Education by Dr. Cuddy. You can probably google it and get a copy too.**
